Enriching the Lives of Our Neighbors

Savannah College of Art & Design Tour

You'll learn a lot about SCAD and the history of how it came to be, plus you'll learn a lot about Savannah. It's a lovely tour, and we've never had anyone leave disappointed. Guests love seeing the film studio back lot where we have a whole city constructed that includes a hospital, bank, subway, flower shop, café, bakery, gas station and a Brooklyn-style apartment building!

Poetter Hall

342 Bull Street, Savannah, GA
Tuesday, September 30, 2025
From 2:00pm-4:00pm

Please meet us at Poetter Hall for the tour (metered parking available). The tour starts at 2:00pm sharp with the SCAD Story, and then the group goes outside to the bus, which then takes everyone to the following stops — not necessarily in this order: SCAD Museum of Art and SCAD Beach, SCAD River (our newest residence hall, for great views of the River and the City), SCAD Savannah Film Studios: stage and back lot. And then the tour ends back at Poetter Hall.

There will be walking at the film studio back lot, so plan accordingly in terms of attire/shoes. Because temperatures in Savannah can be uncomfortable, we don't spend much time outside. The only time we are outside is when we walk between buildings in the back lot. Feel free to bring a bottle of water.
