

SPRING 2026 MIX AND MINGLE NEIGHBORS DINNER

WHO WANTS TO HOST?

Last October, 6 PHWC members hosted a total of 44 guests in their homes for Neighbors Dinner. Guests are randomly assigned to each home. The host provides the main course and the guests bring the rest! This was our 4th dinner, and everyone enjoyed sharing a meal and meeting new friends. We continue to stress that this is not a cooking contest and whatever you feel comfortable serving is up to you. Sit down dinner, casual buffet, burgers on the grill....they all work. I am always here to help you choose a meal if needed. Hosts can be couples, singles or friends.

The dates we are considering are Thursday February 26 and Wednesday March 11. These dates have been chosen around other community activities that we are currently aware of, including Tuesday Troupe, Golf, and Club activities.

If you are interested in hosting, this is what I need from you ASAP:

1. Email me DIRECTLY at kfirenze35@gmail.com and tell me you want to host
2. Tell me your availability for EACH of these dates. I will choose the date with the most available hosts
3. Tell me how many members+ their guests you can comfortably accommodate ("I can host 3 couples in addition to my husband and I")

Any questions please give me a call and please respond by January 21, 2026
