

Palmetto Hall Women's Club

Enriching the Lives of Our Neighbors

School Backpack Drive

"Let's Pack It Up" between April 10-19

benefiting

Palmetto Hall Women's Club is once again partnering with Deep Well to help families in our area. Through their summer School Readiness Program, they help families by providing supplies and school uniforms to over 400 students. Deep Well only offers backpacks to the younger children and funds often do not cover backpacks for grades 1-8. PHWC would like to help with this program by sponsoring a School Backpack collection for these grades.

Please bring **NEW** Backpacks to the Clubhouse Lobby during the dates noted above. Or you can deliver them directly to Paula Cusick at 11 Club Manor or Judy Guillem at 8 Hatteras.

Here is a link for those interested in bulk buying – maybe with a group of friends!
