6:00–6:30 PM | Q&A with Dee Phillips

**Palmetto Hall Clubhouse**

You know Hilton Head for its beautiful beaches, majestic live oaks and distinctive Lowcountry lifestyle—but how much do you really know about the history beneath it all?

Join us for a fascinating look at the people, cultures and events that shaped Hilton Head Island. Our guest speaker, Dee Phillips, a former Palmetto Hall resident, serves on the Heritage Library Advisory Board and is a former Chair of the Heritage Library's History Department.

Together, we'll journey through centuries of Hilton Head history—from its earliest inhabitants to the development of the island we know today.

There is no charge to attend. PHWC members are welcome to bring one guest.
